Dear USG Executive Board members and advisors,

I am writing this letter to inform you that I will be resigning as President of the Undergraduate Student Government effective immediately due to personal and mental health reasons. I believe that now is the best time for me to resign and focus on myself and my well-being. I have been discussing my resignation for over a month with the Presidential Team, and USG directors were notified weeks ago of my intent.

It has truly been the greatest honor of my life thus far to serve as the Student Body President. I am incredibly proud of the work we have done this year, and I thank each and every one of you for helping make Sara and I's vision for the organization a reality.

If you have any questions regarding my resignation or how the organization will transition moving forward, I ask that you respect my privacy and reach out directly to the Chief of Staff team.

I wish you all the best of luck during the final month of the academic year and the rest of your respective terms.

Thank you,
Shashank Murali
